**Read this conversation with a partner and answer the questions.**

**Joan:** We went to the aquarium yesterday. The kids loved it!

**Jess:** What animals did you see?

**Joan:** We saw sharks, sea rays, swordfish and eels. And seahorses. The kids loved the seahorses the best. They are so tiny and cute. The aquarium had lots of sharks swimming in the tanks. I didn't know there were so many types of sharks.

**Jess:** I think sharks are scary. When I am swimming, I worry about sharks. They attack people every year.

**Joan:** That is silly. Your chance of being attacked by a shark is very small. You shouldn't worry so much. Relax and enjoy the beach.

1. Where did Joan's family go?
2. What animals did they see?
3. Which was the kids favorite?
4. What did Joan learn about sharks?
5. How does Jess feel about sharks?
6. What advice does Joan give Jess about sharks?
