

10-22-2012 FUMC ESL Intermediate Lesson

Use pages 212, 213 and 214 of your OPD to label each of these animals.

Answer these questions about the animals above.

1. Which animals can fly?
2. Which animals live in the sea?
3. Which animal are you most afraid of?
4. Which animal would you keep as a pet?
5. Which animal quacks?
6. Which animal says, "hoo, hoo, hoo"?
7. Which animal lives on the ice in Antarctica?
8. Which animal stings?
9. Which animal hops?
10. Which animal has powerful jaws?

Write the past tense of each verb below:

watch-_____ sleep-_____ raise-_____ catch-_____
build-_____ wait-_____ hiss-_____ hope-_____ run-_____
hop-_____ show-_____ stick-_____ go-_____ keep-_____
open-_____ sting-_____ quack-_____ fly-_____ try-_____

Change the underlined verbs to past tense.

- 1-We were watching the owl. The owl was sitting in the tree. He was hoping to see a mouse.
- 2-The penguins walked by while the walrus was sleeping.
- 3-The cobra is raising it's head. It is hissing.
- 4-The spider is building its web. It is waiting for an insect to fall in the web.
- 5-The frog was hopping down the path when he saw a fly. He stuck out his tongue. He is eating the fly.
- 6-The peacock was showing its pretty feathers.

7-The alligator was opening his jaws to eat the chicken. The chicken was running away.

8-The jellyfish is stinging me. Please help me.

9-The turtle was walking very slowly. The boys were trying to catch it.

10-The ducks were quacking. They were fishing in the pond. One duck caught a small fish.

11-I kept this butterfly in a jar all day. I am opening the jar. The butterfly is flying away.

12-The animals were making noise. The man was trying to quiet the animals.

Use the verb in parenthesis to put a past continuous verb in the blanks below. If you have two verbs, use the second verb in the second blank.

1. (look) Martha went to the window. She looked outside. Then she came back to the kitchen table. Her husband said: What _____ at. Martha answered: I _____ at those birds in the tree.

2. (talk) The phone rang. Jeff answered the phone. He talked for a short time. His wife came in. She asked: Who _____ to? Jeff said: I _____ to my mom.

3. (do/dig) Edgar got a shovel from the garage. He went to the backyard. He came back inside. His wife said: What _____ with that shovel? Edgar answered: I _____ a hole for the new plants.

4. (shop) Linda and her friend went to a shop in the mall. When she came home, her mother asked: Where _____? Linda said: We _____ at Macy's.

5. (watch) Mary turned off the TV. She came into the bedroom. Her husband asked: Mary, what _____? Mary answered: I _____ the news channel.

Group Talk: Talk about these statements with your group. Decide if you which sentence you agree with and tell your group. Does everyone in your group agree?

a-All snakes are dangerous. You should kill every snake you see.

b-Snakes eat rats and other harmful animals. If we did not have snakes, we would have too many rats and mice.

a-Zoos are bad. Animals should not be kept in cages.

b-Zoos are good. Zoos protect animals that might go extinct.

a-It is good to have an animal live with you. Everyone should have a pet in their home.

b-Animals are dirty. You should not have an animal living in your house.

a-Whales should not be killed. There are too few whales in the world. All whale fishing should stop.

b-Whales provide lots of products. It is OK to kill whales.
