### Conversation with Sam, Chad and Ann

Sam: Good job on this project, guys. Let's call it a day.

Chad: I'm not ready to call it quits until we have everything printed and collated. I want to be completely ready when the boss arrives in the morning.

Ann: I'm with you, Chad. I'm a little nervous about how the boss will feel about our work.

Sam: Don't worry, Ann. I'll come in early and get everything ready. You can count on me.

Chad: If this project doesn't go over with the boss, I think we'll all get fired.

Sam: Look, I'm the supervisor. If things go wrong, I'll take the blame. I have the ultimate responsibility for the work of this group.

Chad: Let's stay at it until everything is printed and sorted. If we keep our nose to the grindstone for another hour, we'll be finished.

Ann: I'm with you, Chad. Let's get moving. You can go ahead, Sam. We'll finish up.

Sam: Suit yourself. I'll see you guys in the morning.
