OPD pg 14-15 The Telephone

Review the vocabulary words on page 14 and 15.

Students, get out your cell phone. (Get out means pull it from your pocket or purse.)

Follow these commands and answer the questions:

1. Get out your cell phone.
2. Show your cell phone to your neighbor. Is your phone different than your neighbors? What brand is your phone? (Brand means the company who markets your phone.) Is it a Nokia, an I-phone, a Samsung, a Blackberry?
3. Is your phone the same brand as your neighbor? Same and different are opposites. Say if your phone is different from your neighbors.
4. Is your phone a smart phone? Can you use the internet? Can you text?
5. Point to your key pad. Is it a touch screen?
6. Point to the star key. Point to the pound key. Point to the send key. Press the keys to dial a number.
7. Do you have a weak signal or a strong signal? Weak and strong are opposites.
8. Turn up the volume. Turn down the volume. Up and down are opposites.
9. Dial a number.
10. Set your ring tone.
11. Hang up the phone.
12. Do you have a phone charger? Do you have a car charger?
13. Do you have a cover for your phone?
14. Do you have a land line?
15. What is a long distance number?
16. What is a toll free number? (1-800-783-3333)
17. What is directory assistance (411)
18. What number do you call for emergencies?
19. How many calls do you make each day?
20. Do you text more than you call?

Look at the phone bill on page 15. This bill is called a statement.

This phone bill is for October 8 to _____.

How many local calls did Linda Lopez make? _____

How many long distance calls did Linda make? _____ What states did Linda call? _____

How many international calls did Linda make? _____ What countries did Linda call? _____

Is your phone bill expensive or is it cheap? Expensive means it costs a lot. Cheap means it does NOT cost a lot.

Practice reading these conversations. Read each conversation at least twice. These people are making emergency calls.

Jim: That house is on fire. Call 911. I will ring the doorbell. I will get the people out.

Jesse: (dials 911) There is a fire at 8221 Lavaca. Please send a fire truck.

1. What did Jim tell Jesse to do?
2. What will Jim do?
3. Did Jesse call 911?
4. What is the address of the fire?

Operator: 911 operator. Please state your name.

Sara: My name is Sara Jones. I saw a wreck in front of my house.

Operator: What is your address?

Sara: My address is 1201 East 48th Street.

Operator: Is anyone hurt?

Sara: Yes. I see a bleeding man. A woman is hurt, too. One person is unconscious.

Operator: Stay on the line. I will send a policeman and an ambulance.

1. Who did Sara call?
2. Where was the wreck?
3. Who was hurt?
4. Who will the operator send?
