**VOCABULARY**

Most English words have many forms and uses. You can easily extend your vocabulary by learning suffixes. Suffixes or groups of letters added to the end of words.

Suffixes change the meaning and type of word. For example, pollute is a verb that means to foul the air, water or ground with trash or poisonous chemicals. If we add a suffix (TION) pollute becomes pollution (noun). Teach (verb) adds ER to become teacher (noun). Supervise (verb) adds OR to become supervisor (noun). Donate (verb) adds TION to become donation (noun). Science (noun) adds IST to make scientist (also a noun). Wash adds ABLE to make washable (adjective). Modern (adjective) adds IZE to form modernize (verb). Excite (verb) adds MENT to form excitement (noun). Beauty (noun) adds FUL to form beautiful (adjective) or IFY to form beautify (verb).

**By changing the suffix of the underlined word, make a new word that fits in the blank.**
