

Look at pages 72 and 73. Make three sentences using three of the vocabulary words. (Teachers: Write the student's sentences on the board and make corrections. Show other ways to say the same thing.)

STUDENTS: Write your sentences here.

- 1.
- 2.
- 3.

Name:

- what comes in a bottle
- some snack foods you buy
- some beverages you drink
- food you buy in a can

List:

- things you find in the dairy section
- types of frozen foods
- things you buy at the grocery store that you can't eat

Turn to page 74. Pronounce the vocabulary words as a group.

Practice pronouncing these sentences:

1. I need a bottle of water.
2. I want a can of tomatoes.
3. Mother bought a jar of peanut butter.
4. I bought a container of cottage cheese.
5. She buys a carton of eggs every week.
6. We buy boxes of cereal for the kids.
7. I want a six pack of soda.
8. He paid for a loaf of bread.
9. I spent \$10.00 for a dozen bottles of water.
10. May I have some soda, please?

Nouns are either count or non-count. Non-count nouns do not have plural forms. Example: I bought some apples. Apples is a count noun. You make it plural by adding "s". I bought some rice. Rice is a non-count noun. It does not have a plural form.

Decide if these nouns are count (you can add s) or non-count (no plural form).

deer bread salt orange chair sock
money milk pepper meat drink butter

Make a sentence with each of the items below. (Teachers- write them on the board and correct.)

a bottle
of milk

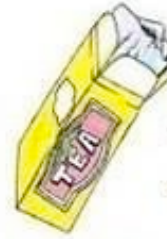

a glass
of water

a jug
of water

a cup
of tea
