

OPD pg 97 is about returning clothing to the store. Look at the vocabulary words. Take turns answering these questions in your group. (Teachers, please let the students talk and help each other before you try to answer.)

- 1.What is the difference between something that is broken or missing?
- 2.What is the difference between ripped and unraveling?
- 3.What is the difference between stained and torn?
- 4.What is a refund?
- 5.What is a store credit?

Group Talk-Talk about these questions. One student lead off then encourage the rest of the group to share their experiences.

- 1.Have you ever tried to return something? How did that work out? Were you happy with the result? Have you ever been embarrassed when returning something?
- 2.What is the return policy in most stores? How is that different than in your country.
- 3.Do you always keep your receipts?
- 4.Which stores do you find “too expensive”? In general are clothes more or less expensive here than in your country?
5. Choose another student and role play returning merchandise to the store.

HOMOPHONE FUN:

Words pronounced the same but with different meanings are called homophones. These sentences have homophone errors. Work with a partner to see if you can find and correct them.
