Practice Speaking: Read all the questions in each number. Then talk to the group about the subject. Be sure you answer all the questions in your talk.

1. Where is the grocery store in your neighborhood? Is it very close or very far? Can you walk to the grocery store? What other stores are near the grocery store? What items do you buy most often at the grocery store? How many times a week do you go to the grocery store? Do you use more than one grocery store? Do you use any specialty grocery stores (i.e. Asian market)?

2. Is there a library near you? Do you have a library card? Would you like to get a library card? What is required to get a library card? What is a branch library? What kind of programs are offered at your library (i.e. story hour or English classes)? Do you read a lot? Do you read in English or in your native language? What kinds of books do you prefer?

3. Where is your bank located? How often do you go to the bank? Does your bank have a drive through? Do you have a checking account? Do you use ATM's to get cash? Did you have a bank account when you were a teenager?

4. Describe your home and neighborhood: Do you live on a corner? Do you live on a one way street? Do you live on a cul-de-sac? Do you live on a busy street? Is your house one story or two story? Do you live in an apartment or a home? If you live in an apartment, how many stories does the building have? Which story do you live on? Does your building have an elevator? Do you have a patio where you can grill food? What is your favorite thing about your home? Is your neighborhood full of kids? Do the kids in your neighborhood play outside? Do people sit out on their porches in the evenings in your neighborhood?
