

Charlotte's Web Book Club Assignment

Read chapters 1-4 for Monday, July 18th.

1. Words you don't know:

I want you to enjoy reading this book. If you stop to look up every few words in the dictionary, it will not be fun! Please try this instead:

- * When there is a word you don't know, write it down or highlight it.
- * DO NOT LOOK IT UP IN THE DICTIONARY!
- * Reread the sentence or paragraph that contains the word.
- * Write down what you think the word means. If you cannot guess, read the next paragraph and then write down what you think it means. Sometimes the author explains a word if you keep reading.
- * DO NOT LOOK IT UP IN THE DICTIONARY!
- * Continue reading.
- * When you finish a chapter, review the words you wrote down. NOW you can look them up in the dictionary. :)
- * Was your guess correct? Almost correct?
- * Is this word important for you to know?

2. Make a list of characters.

3. Highlight or write down interesting or favorite passages.

4. Highlight or write down confusing passages.

5. When you finish a chapter, write down 1 or 2 important things that happened in the chapter.

6. Write a suggested topic or question for us to discuss.

Optional: When you read a passage that describes a place or a character, make a simple drawing from the description.
