

FUMC ESL 11-27-2017 Advanced Lesson

Read the sentences. Tell a synonym or definition for the underlined expressions. Discuss the questions after each entry.

I must call Mother. I feel like I might have hurt her feelings by not contacting her on Mother's Day.

How often do you call your mother? Does your mother ever get her feelings hurt? What do you do if you hurt your mother's feelings?

Brad, I know I said we would go out dancing tonight, but I'm just not feeling it. I think I'd prefer to stay at home and watch a movie.

Do you and your husband disagree about what a "fun" evening is? What is a fun evening for you?

Leslie said she would pick me up on time, but I have a feeling she'll forget that she volunteered to take me to the airport.

Are you an intuitive person? Do you get "feelings" about things that often turn out to be true? Is women's intuition a real thing?

Bren, we couldn't invite you to my son's wedding because it was small. Only the close family members were invited. No hard feelings, I hope.

Did anyone have hard feelings after your wedding? Do you worry about uninvited friends having hard feelings when you entertain?

I have mixed feelings about a trip to New York right now. It's always fun to visit New York, but a snow storm is predicted and I'm afraid our flights will be effected. I don't want to get stuck there for several days.

Did you have mixed feelings about coming to the U.S.? What is something you have mixed feelings about?

I have a sinking feeling our visa will not be renewed with the current political climate.

What do you have a sinking feeling about?

Jud was feeling no pain after the party last night. He had a great time, but he may be hung over this morning.

If the doctor asks you if you are feeling no pain, he doesn't mean, "Are you drunk?" He is using the expression literally and wants to know if you are hurting or not.

I've got a gut feeling that more bad weather is on the way.

I think Tom has feelings for you.

After the ten mile hike I was really feeling my age.

What makes you feel your age?

I feel for Jane. She hasn't had a day off in weeks.
